

# ***SOCCKER EQUIPMENT EXCHANGE***

***Have your kids outgrown their Soccer cleats, jerseys, and shinguards? No worries! Come to our First Annual Soccer Equipment Exchange!***

***Bring all of your outgrown equipment – soccer balls, cleats, jerseys, gloves, shinguards, etc. – to the Palmyra Village Hall or Palmyra Elementary School beginning January 20, 2014.***

***Watch for flyers or on our Facebook Page for information on when you can come and pick out what you need for the upcoming Spring Soccer Season. Equipment pick up will be in early March, so bring your equipment in EARLY!***

***Our goal is to allow EVERY child in our community the opportunity to play Soccer on a team, and make it affordable.***
