

Volunteer Project List

Volunteer projects are available year round for completion as it is a never ending process to keep garbage and debris out of our Parks and Streets.

For anyone that is interested in picking up garbage:

- Pickup of "Loose" garbage at Beach and around lake edge, Mini Park, Village Park or Downtown area including the planters.
- Can put garbage in the cans at each site OR place them in plastic bags which can be set next to cans OR put in the dumpster at the Village Park on 8th St.
- DO NOT PACK GARBAGE IN THE CANS, PLEASE PLACE IN SEPARATE BAG
- Please notify the Clerk or DPW once cleanup has been done so any bags can be picked up promptly

For anyone wanting to weed, rake leaves or pick up sticks:

- Pickup of yard type debris at Beach, Mini Park, Village Park (fence & tree lines, around buildings, etc.) or Downtown area.
- Sticks can be placed near the road for pickup during normal monthly brush pickup.
- Put yard debris in plastic bags which can be set near the road OR in the dumpster at the Yard Waste Site (please remove garbage from yard debris).
- Please notify the Clerk or DPW once cleanup has been done so the bags can be picked up promptly or the yard waste site left unlocked for deposit.

For anyone wanting to remove graffiti from benches, picnic tables etc.:

- Any plain wood can be sanded with 80 or 120 grit sandpaper to remove graffiti.
- Any painted wood can be primed and painted over (color match paint is available from DPW prior to work).
- Any plastic/resin coated benches should be left alone for proper removal by DPW, please note any of these areas and notify the Village for removal
- Please notify the Clerk or DPW prior to attempting this project so the Police Dept. can be informed and not consider this to be malicious.

For any other projects please state desired project and time frame for completion so that we can coordinate building availability and any other considerations that might need to be taken.

We appreciate the people that are willing to volunteer their time to help keep Palmyra looking its best.
