IF YOU ARE NOT SATISFIED WITH THIS AGREEMENT, DO NOT SIGN. If you do sign this agreement you give up your right to dispute the amount due under the agreement except for the Utilities failure or refusal to follow the terms of this agreement.

Pursuant to PSC 185.38(5) if an applicant for utility service has not fulfilled terms of a deferred payment agreement, the utility shall have the right to disconnect pursuant to disconnection of service rules (s.PSC 185.37) and under such circumstances, it shall not be required to offer subsequent negotiation of a deferred payment agreement prior to disconnection.

You will be required to pay your current charges in full by the due date in addition to the agreed-upon installment payment above. We must receive each payment on or before the due date. A late or missed payment will cause the DPA to default and place you in jeopardy of disconnection.
