

## LOWER SPRING LAKE

### PROTECTION & REHABILITATION DISTRICT

Keeping connected during social distancing and uncertain times, I am sure you all have had to alter your lives in one way or another or you have a family member directly affected by this. Here are some things I wanted to share with you, some related to Covid-19 others are not.

1. In the name of safety there will not be a 4<sup>th</sup> of July Boating Parade this year.
2. No District meeting has been scheduled as yet.
3. Budget discussions have not taken place as yet either. I will work with Susan Graham and Patricia Cicero for direction on the subject.
4. Our year end picnic is currently on hold a well.
5. Harvesting equipment updates:

Harvester-all hoses have been replaced.

Harvester gas line needs to be replaced (within the next 2 weeks)

Harvester repairs- the 5 foot split on the front cutter (within the next 2 weeks) and some minor welding on the front frame work will be completed.

Harvester truck repairs have all been made.

Conveyor is in good condition.

Due to personal reasons Joe Zimmerman will not be running the harvester this year. So we are almost ready to launch .....BUT we need an operator!

I have attached the job description if anyone is interested in cutting this year. We really need someone to step up and help.

If you have any questions or concerns you can always call or text me.

Stay safe, be strong

Linda
