

3rd Annual Palmyra Panther Prowl - 5K Run/Walk

May 9, 2022

Dear Business Owner:

The Healthy Community Network (HCN) is hosting the 3rd Annual Palmyra Panther Prowl 5K Run/Walk on August 13, 2022, starting and finishing at Palmyra Village Park. HCN is a non-profit, tax-exempt entity that was created to promote a healthy way of living within the community of Palmyra. Proceeds from the race will help HCN continue the “healthy snacks delivery service” and support future initiatives that include increasing the frequency of deliveries as well as variety of items offered. Currently we delivery healthy snacks to Eagle Elementary School, Palmyra-Eagle Middle School, Palmyra-Eagle High School, Palmyra Park Apartment Homes, and Powers Memorial Library.

I am requesting a monetary donation in support of the Palmyra Panther Prowl 5K Run/Walk. Your support will not go unnoticed. Every sponsor who donates \$100 or more will be recognized in the following ways: company logo placement on race t-shirts, company name announced at event, and recognition on social media, HCN website and/or The Palmyra Enterprise.

There is strength in numbers and together we can become healthier one step at a time. Join HCN in making the 3rd Annual Palmyra Panther Prowl a huge community success. Over the last two years, \$5,900 has been raised to support a healthier lifestyle within Palmyra.

Please make check payable to: Healthy Community Network. Email company logo to angelav@healthycommunitynetwork.net by July 2.
